Comments for the Instructor:   <b>Note to Students:</b> Comments are visible to the instructors. If you have a specific concern about the instructor, please contact the instructor's department chair or school director.								
 Great professor, great class have already recommended her class to underclassmen I know who are in the same degree plan. However, I believe the professor needs to be more punctual with uploading notes as well as the work that students need to complete, but other than that I think Beiyu Lin is a great professor I wish I had taken other classes with.								
 very friendly and willing to explain concepts in class if one is having trouble. very knowledgeable
