A very nice and kind professor, always eager to help you. And a great professor too.

Dr. Lin was a tremendous teacher with a lot of patience and was able to review what we had covered in the previous lecture to make sure that we were caught up and that we understood what was going to be covered next. She was very positive at all times and listened when we asked questions.

Thank you Professor. It was a pleasure being in your class.

Thank you for being very empathetic and understanding during these terrible times!

Very good at teaching!

You did a great job at teaching the course. I really enjoyed the class because you taught us a lot. The only thing I would change is that you should have recorded the lessons so that we could go back and review if we forgot.
