Group Contributions - Modeling and Understanding Human Routine Behavior (Oct 12)

Group Letter:
Please list group members in alphabetical order by last name.

Members:
1. Benavides Ramirez Homero
2. Kabir Md Rysul

Assignment	Contribution of Person (percentage)			
	1	**2**	**3**	**4**
Information summary	50%	50%		
Comments/Justification	Each one of us summarized their assigned topics in order to prepare the information that was going into the slides. Rysul: Introduction, Understanding Human Routine Behavior, Conclusion. Homero: Modeling Human Routine Behavior, Validating Human Routine Behavior, Results.			

Assignment	Contribution of Person (percentage)			
	1	**2**	**3**	**4**
Slides	50%	50%		
Comments/Justification	Each of us created their own slides and then we put them together. We read each other's sections too to fully understand the whole paper and be better prepared.
